## WELCOME

Welcome to our excellent range of quality cane and oak furniture.

For our cane collection we have sourced all our major suppliers to bring you what we consider is our best range ever, and we hope it will give you many ideas and inspirations for your conservatory and home.

All our cane furniture is finished to the highest standards. We only use the best quality materials to ensure your furniture will last for many years. All our cushions conform to British Standards institute for fire-retardant materials, and the glass on our coffee and side tables is toughened safety glass.

Most cushions are zipped for easy removing and cleaning, and most frames are leather bound for extra strength and durability.

All sofas, chairs, footstools etc. are available in a wide choice of quality fabrics all of which can be seen in our showrooms.

Our contemporary oak range is exclusive to us in East Anglia, and as we deal direct with the manufacturer, offers excellent quality and value. Made from solid European Oak using traditional manufacturing methods such as dovetail joints on all drawers. It comes in a natural oil finish to enhance the beauty of the wood, and give a timeless quality. These pieces will sit proudly in any home and give many, many years of use and pleasure. Furniture as it should be!

There is FREE delivery on all orders over £400 (subject to a 30 mile radius), all other areas please request a price.

Should you require any further information, please feel free to call in or telephone either one of our showrooms (see back cover for location maps).

Please note: Fabrics in any conservatory, which are exposed to strong light, will fade noticeably unless protected. Also dark solid coloured fabrics tend to show fading more than light ones. No fabric manufacturer will guarantee their fabrics against fading.
